**Subject:** approval of TD for SRC on RDX, and forward on to Brenda Washington  
**Attachments:** RDX nested evidence tables (6-6-13).docx; IGCE\_RDX\_tech edit-ev tables\_7-02-13.xlsx; IRIS Template - Tox Review - Version 9.docx; RDX\_Tech Edit\_Evidence Tables\_7-08-13.docx

Hi John,

I need you to approve my TD and IGCE for SRC to do some technical editing for the RDX evidence tables in your capacity as acting branch chief. I've attached the TD and IGCE to this email, as well as two other documents that we specify in the TD we will send to the contractor simultaneous with the TD: 1) the current evidence tables and 2) the latest version of the IRIS template. Sue and I had discussed this last week before the long holiday, but I wanted to go ahead and get things in motion since RDX is on a tight timeline. She indicated you could approve the TD in her absence. Let me know if you have any questions, or if there is anything else you need from me.

Thanks!

-Lou
